NOTICE OF MEETING OF THE DEVELOPMENT STANDARDS DEPARTURE ADVISORY COMMITTEE FOR THORNTON CREEK ELEMENTARY SCHOOL

The Seattle School District is requesting a waiver (departure) from some City zoning regulations for the construction of a new Thornton Creek Elementary School. The School District is requesting modifications to allow less than required on-site parking, continued on-street bus loading and unloading and greater than allowed building height. The process for considering this request includes hearings before an advisory committee composed of neighbors and School District and City representatives.

The Committee will gather and evaluate public comment on the departure request(s). The Committee can recommend waiver (departure) and any relevant conditions to be applied to minimize its impacts on the surrounding neighborhood, or recommend denial. The Committee may make its recommendation following this meeting, or hold up to two additional meetings prior to making its recommendation.

The Committee has been formed and will hold its first public meeting:

Date:	<u>Tuesday, June 3, 2014</u>
Time:	6:30 PM
Place:	Cafeteria Thornton Creek Elementary School 7711 43 rd Ave NE Seattle, WA 98115

The meeting will include a brief presentation on the requested modifications to development standards (zoning) that have been requested. Following this presentation, the Committee will consider its recommendations. An additional meeting may be held if the Committee concludes that more information is needed.

The public is invited to make comments at the meeting. Written comments may also be submitted to:
